The Albanian Experience

PRELIMINARY SCIENTIFIC PROGRAM

Friday, 8 April 2022
Main Hall

09:00 – 10:30

Rhinitis/Rhinosinusitis (I)

The microbiome of chronic rhinosinusitis
Relevant phenotypes in chronic rhinosinusitis
Biologics. Who? When? How?

10:30 – 11:30

Satellite Symposium

11:30 – 12:00

Coffee Break

12:00 – 13:30

Endoscopic and Skull Base Surgery (I)

Orbital involvement in sinonasal malignancies. What are the options?
Far lateral lesions. How far until not accessible?

13:30 – 14:30

Satellite Symposium

14:30 – 15:30

Lunch Break

15:30 – 17:00

Rhinitis/Rhinosinusitis (II)

Allergic Rhinitis – the role of immunotherapy
Update

17:00 – 18:30

Controversies (For or against?)

Empty nose syndrome: Myth or reality?
Corticosteroids
Radical versus minimal ESS
Biologics or surgery for recalcitrant CRS?

PRELIMINARY SCIENTIFIC PROGRAM

Friday, 8 April 2022

Parallel Hall

09:00 – 10:30 Rhinoplasty and Septal Surgery (I)

11:15 – 11:45 Coffee Break

11:45 – 13:15 Oral Presentations
Rhinoplasty and facial plastic surgery

14:30 – 15:30 Lunch Break

15:30 – 17:00 MISC | General | Primary Care

Epistaxis

17:00 – 18:30 Training the future generation

Residency
Balkans vs Europe vs The World
Trained(?) to train?

PRELIMINARY SCIENTIFIC PROGRAM

Saturday, 9 April 2022

Main Hall

09:00 – 10:30 Rhinoplasty and Septal Surgery (II)

10:30 – 11:00 Satellite Lecture

11:00 – 11:30 Coffee Break

11:30 – 13:00 Endoscopic and Skull Base Surgery (II)

13:00 – 13:30 Satellite Lecture

13:30 – 14:30 Lunch Break

14:30 – 16:00 Juniors Session

16:00 Farewell / Certificates

Saturday, 9 April 2022

Parallel Hall

09:00 – 10:30 Radiology (RT) – Oncology

11:30 – 13:00 Rhinitis/Rhinosinusitis (III)

14:30 – 16:00 Pediatric Rhinology
